Hello Bob,  
The spray foam that was done on Monday looks great. Jake and I are so happy with the outcome. The guys who came to do the job were very professional, prompt, easy to communicate with and answered every question I had with ease. This experience with you and your staff has been wonderful and I look forward to the next phase here when I will call you again. The check went out in yesterday's mail.

Thanks again,  
Angela Additon
