Michael, Bob,

Just a note to say thanks for a terrific job done by Aaron and his helper Jonathan on Monday.

They worked hard all day and did a terrific job with the masking and cleanup. I had heard from others how messy spray foam work was and expected to have to do a significant amount of clean up. I was more than pleased to see how clean the site was afterwards!

I've already recommended your company to several others for future work and hope to work with you again on other projects.

Warmly,

Matt Callahan
